

Did You Know?

Pathways to Organisational Psychology

In Australia, the standard pathway to obtain practice endorsement in an area of psychology (e.g. Organisational, Clinical, Sport & Exercise) is the completion of an accredited higher degree (or equivalent overseas qualification), followed by a registrar program.

1

Undergraduate Study

Complete a four year accredited sequence of study in psychology in Australia:

- Bachelor Degree, or
 - Graduate Diploma
- AND
- Honours, or
 - Postgraduate Diploma

2

Postgraduate Study

Complete an accredited sequence of postgraduate study in psychology in Australia:

- Masters: 2yr
- Combined Masters/PhD: 3yr
- Doctorate: 3yr

Eligibility for General Registration

(i.e. the rights to use the title, 'Psychologist')

Registrar Program

Following general registration, complete a Board approved registrar program leading to area of practice endorsement:

- Masters: 2yr supervised practice; 80hr PD
- Combined Masters/PhD: 1.5yr supervised practice; 60hr PD
- Doctorate: 1yr supervised practice; 40hr PD

Eligibility for Practice Endorsement

(i.e. the rights to use the title, 'Organisational Psychologist')
